**advocate\_pardhumangarg** An Issue That Has Always Concerned Me as a Member of the Bar

For many years, I have deeply felt that the high enrollment fee — which was approximately ₹25,000 back in 2020 — was an unfair barrier for young lawyers who were just stepping into the profession.

Back in 2020, I raised this concern before the Hon'ble Punjab & Haryana High Court through PIL No. CWP-PIL-100-2020, hoping that the system would someday become more accessible for newly enrolled advocates.

For many years, I have deeply felt that the high enrollment fee — which was approximately ₹25,000 back in 2020 — was an unfair barrier for young lawyers who were just stepping into the profession.

Back in 2020, I raised this concern before the Hon'ble Punjab & Haryana High Court through PIL No. CWP-PIL-100-2020, hoping that the system would someday become more accessible for newly enrolled advocates.

In 2024, the Supreme Court addressed this long-pending issue, reducing the fee to ₹750 for General Category and ₹125 for SC Category — a meaningful relief for thousands of young members of our fraternity.

I'm sharing this reel because the perspective expressed here reflects the importance of this issue for every aspiring advocate who dreams of joining the Bar without unnecessary financial hurdles.

Your voice matters. Your vote shapes the future of our profession.
